

HELLO, MY NAME IS...

JONATHAN SALAZAR

CREATIVE THINKER • DESIGNER • MAKER • PHOTOGRAPHER

“Imaginative and Tenacious Graphic Designer and Photographer with fourteen years of experience transforming ideas into vivid and inspiring graphics seeking designer position. Inquisitive and passionate about understanding how things work to create customized, dynamic design solutions. Exceptional communicator and collaborative team player with a thorough creative process. Quick thinker and clever problem solver who thrives in fast-paced environments. On top of being a designer, a maker and crafter of fine custom leather goods and product developer of innovated edc (every day carry) items.”
